churches

At TAKAMI BRIDAL's churches, we value the significance of each holy ceremony where couples pledge their eternal love.

Just as with traditional Christian weddings, planning starts with marriage counseling with the pastor, and culminates in a solemn ceremony that deepens the ties of the couples and their families.

Couples also receive the full support of our bridal planners, church staff, hair and makeup artists, and all members of our crew to ensure they are "blessed" with both the spiritual and aesthetic aspects of the perfect wedding ceremony.
